

GETTING STARTED

Here's how to start playing *Pizza Box Football™* right away!

1

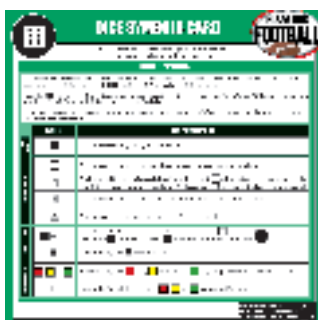

Unfold the game box and lay it flat on its back.

Unfold the game board so that the platform stands inside the game box.

2

Give each player a Play Sequence Card.

Find the Dice Symbols Card for reference.

3

Choose a player to practice offense. The other player will practice defense.

4

Give ■■■■ and □□□□□ to the offense player.

5

Give ■■■■ and □□□□□ to the defense player.

6

IT'S TIME TO PRACTICE CALLING PLAYS.

Grab the Play Sequence Card. Together, follow steps 1-5 shown on the card.

7

When you're ready to start playing a real game, choose 1 of the 4 Game Options to play from the Game Options chart on the next page.

8

Check out the rules for your Game Option. The Game Options chart will point you to the correct page. Set up the game pieces and lay out the game cards that you will use.

9

See pages 8-9 for how to use the game board and the game pieces.

10

Check out the Strategy Section below. You're ready to play *Pizza Box Football!*

STRATEGY

Pizza Box Football is designed for intense competition. The Play Calling Strategy Advantage Chart shows that each player can create an advantage for his team on every play.

How well you do will depend on how well you roll. In *Pizza Box Football*, you'll earn every yard.
